PRECISION FRAMEWORKS, LLC

WARRANTY

Limited Warranty: Precision Frameworks, LLC will warrant our products to be free from defects in material and workmanship for a period of one year from the date of purchase by the original purchaser. The product must be installed following Precision Frameworks, LLC's assembly and installation instructions. Our mirror products are manufactured with flat glass that meets or exceeds ASTM C1503 and ASTM 1036 specifications for silvered flat glass mirrors. Defective products will be replaced with the same or comparable product up to the value of the original purchase.

This warranty does not cover damage caused by misuse, accidents, or improper assembly and installation. It also does not cover normal wear and tear, such as scuffs or scratches that may occur over time. Exposure to corrosive cleaning agents, ammonia-based cleaning agents, abrasive items, excessive moisture, outdoor storage and/or abnormal weather conditions voids the warranty. Mirror deterioration (i.e. de-silvering) caused by exposure to the contaminants listed above is also not covered by this warranty.

To make a warranty claim, please contact us with your proof of purchase and a description of the defect. Precision Frameworks, LLC reserves the right to inspect and/or test the product prior to issuing a replacement. The scope of this warranty is limited to replacing the product and does not include the costs to repair, remove, or replace the original product.
